HAPPY HUSTLE HIGH

story and art by Rie Takada

••HANABI OZORA••
The former heroine (?) of an all-girls school. Hates injustice. Loves sports. Can fight like a guy. Her biggest problem? Wa-a-a-ay too much messy hair.

HAPPY HUSTLE HIGH
Vol.2
CHARACTERS

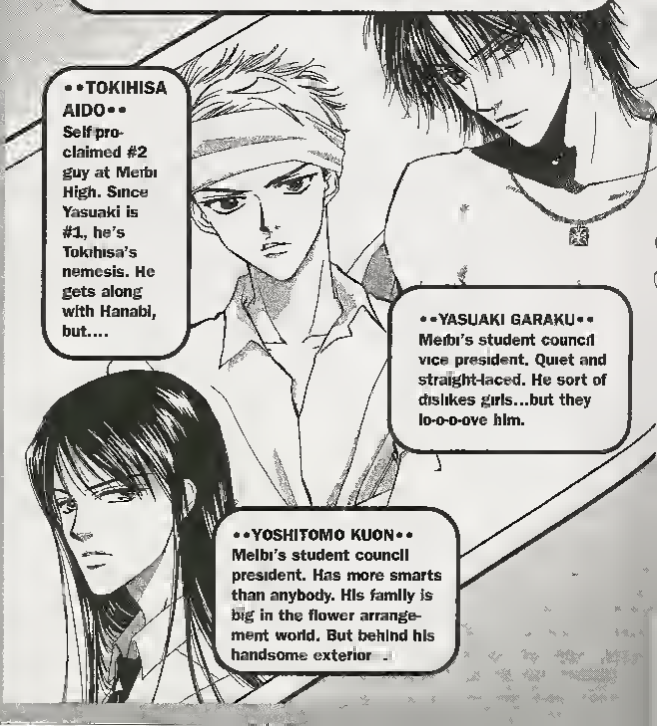
So what's H³?

It stands for HAPPY HUSTLE HIGH!

Go read Volume 1, okay?

•••STORY•••

One day, Uchino High, an ordinary all-girls school, merged with Meibi High, a very elite all-boys school. The three pretty boys of the student council (Yoshitomo Kuon, Yasuaki Garaku, and Tokihisa Aido) became everybody's instant heartthrobs. Yasuaki was really cold to Hanabi when they first met, but they soon wound up locking lips (aka CPR) when Hanabi fell off a surfboard! After that, they slowly began to trust each other. When Hanabi missed school, Yasuaki even stopped by to check up on her.



••TOKIHISA AIDO••
Self-proclaimed #2 guy at Meibi High. Since Yasuaki is #1, he's Tokihisa's nemesis. He gets along with Hanabi, but....

••YASUAKI GARAKU••
Meibi's student council vice president. Quiet and straight-laced. He sort of dislikes girls...but they lo-o-o-ove him.

••YOSHITOMO KUON••
Meibi's student council president. Has more smarts than anybody. His family is big in the flower arrangement world. But behind his handsome exterior...
